10 practical workshops to choose from!

Main Speaker:

Andrew Page

author: *The Mark Experiment*

Whether you've been working with children or young people for two weeks or twenty years, this training day will encourage, inform, enthuse and equip you for your vital role of understanding and teaching God's Word to the next generation.

The theme of this day is the best subject ever: **Jesus**. We'll be looking at how we teach about and share the Real Jesus with our groups—not just as He was when He walked on earth, but who He is now—Lord of All.

Main sessions with Andrew Page:

- **Jesus: then and now**
- **Jesus: the Lord of youthwork**

The day includes a mix of sessions suitable for both helpers and leaders, whether you work with young children or older teens.

Choose one of **four** seminars to answer your questions and shape your thinking.

Plus two practical workshops to help you in your own situation (one from Group A, one from Group B):

- Ⓒ Some sessions are suitable for those working with children
- Ⓓ Some are more specifically for those working with teenagers
- ⒸⒹ Some are great for both

More details on the seminars can be found on the website.
