The imaginative short stories in this adventurous book will transport children to a different world, giving them a fresh way to engage with truths about Jesus and what it's like to follow him.

They'll join Lily and her friend the Lemur on a series of adventures in the Lamb King's mysterious and exciting playground. They'll explore a me-tree, play Scrabble with a slow loris, and save an entire family of squirrels from the cold!

Along the way, children will find themselves exploring key truths about Jesus' kingdom—such as how to be welcoming, what gives people value, and why a self-sacrificing king is the best king of all.
