How to use Discover

Here at Discover, we want you at home to get the most out of reading the Bible. It's how God speaks to us today. And He's got loads of top things to say.

We use the New International Version (NIV) of the Bible. You'll find that the NIV and New King James Version are best for doing the puzzles in Discover.

The Bible has 66 different books in it. So if the notes say...

Read James 3 v 1

...turn to the contents page of your Bible and look down the list of books to see what page James begins on. Turn to that page.

"**James 3 v 1**" means you need to go to chapter 3 of James, and then find verse 1 of chapter 3 (the verse numbers are the tiny ones). Then jump in and read it!

Here's some other stuff you might come across...

WEIRD WORDS

Trimplegraw

These boxes explain baffling words or phrases we come across in the Bible.

Think!

This bit usually has a tricky personal question on what you've been reading about.

Action!

Challenges you to put what you've read into action.

Wow!

This section contains a gobsmacking fact that sums up what you've been reading about.

Pray!

Gives you ideas for prayer. Prayer is talking to God. Don't be embarrassed! You can pray in your head if you want to. God still hears you! Even if there isn't a Pray! symbol, it's a good idea to pray about what you've read anyway.

Coming up in Issue 7...

James: Fantastic faith

Ever blurted something out and then instantly wished you hadn't?

Yup, me too.

The book of James has loads of great advice for keeping control of our tongues. James wrote his letter to Jewish Christians just a few decades after Jesus returned to heaven. James says that when Jesus changes you on the inside, that should change everything you say (and do) too. And James isn't afraid to use some strong words to get his point across! From conflict to complaining, this is one you definitely don't want to miss.

Exodus: God rules, OK?

We join the Israelites in the desert for the final instalment of Exodus. But this is no fun camping trip (although there is a *very* special tent involved...).

God has rescued the Israelites from slavery in Egypt, looked after them on their journey, and is leading them to a brilliant new home in the promised land. Now God gives them rules to help them live the best way — HIS way.

Trouble is, the Israelites are TERRIBLE at keeping them! And we're just the same. So Exodus is a great reminder of how much we need God's forgiveness too.

Revelation: Jesus revealed

It's pretty easy to find the book of Revelation in your Bible — because it's right at the very end!

Revelation means revealing something. God gave John (one of the twelve disciples) loads of strange visions: we'll read about thrones, lampstands, scrolls, colourful horses, earthquakes, trumpets, angels, beasts, a lamb and a dragon! But really it's all about JESUS!!

Revelation tells us crucial stuff that is going to happen, and also stuff that has happened and is happening now! We'll see that God is in total control, and even get an exciting glimpse of what heaven is like!

John: Unbeatable love

If you knew you only had 24 hours left to live, what would you do with them? Only the things that were really important to you, right?

Jesus used the night before he died to do a *lot* of talking — and this stuff is *super* important. Jesus wanted to tell his disciples why he needed to die, and reassure them about what would happen after he was gone. One of his disciples, John, wrote it all down so that we can listen in too!

James: Fantastic faith

James
3 v 1-6

2000 years ago James wrote a letter to Christians, telling them how they could live for God in an ungodly world.

It's great for Christians today too. We started reading James in the last issue of Discover. So let's pick it up halfway through...

WEIRD WORDS

Stumble

Mess up and let God down

Corrupts

Messes up

In check

Under control

Ridiculous riddle

We all have one.

It's quite small but affects the whole of our lives.

It helps us to make people smile or upset them.

What is it?

Read James 3 v 1-5

What's the answer?

I'll accept mouth as a right answer too. James says that the tongue is like a ship's rudder.

It's very small but controls a large and important thing — us.

Think!

Have you got your tongue under control?

Read verse 6

What else is the tongue like?

Just like fire, our words can cause lots of damage. They can hurt people, mess up friendships and have a huge effect on our lives. James says that the devil tempts us to say wrong things. So we need God's help to use our tongues in the right way!

Think again!

What bad things have you said recently?

Pray!

Say sorry to God for those things. Ask God to help you think before you speak. Ask him to help you to say things that please Him.

Tongue-taming time

James
3 v 7-12

James is telling us how dangerous our tongues can be.

What we say is so important.

WEIRD WORDS

Curse

Say bad things about someone

Made in God's likeness

Humans show something of what God is like!

Salt spring

Salty water springing from underground

Read James 3 v 7-8

Do you think you could tame a vicious snake or wild animal if you suddenly met one?

YES/NO _____

Probably not! James says it's even harder to tame our tongues. We try not to offend our parents, but we just lose control and let it out. Or we decide to stop swearing, but when we're with our friends, we just can't help it.

Think!

But God can help us tame our tongues! In what ways do you mess up with your words?

Pray!

Now ask God to help you tame your tongue so you stop doing those things. It could take a long time, so keep asking!

Read James 3 v 9-12

Some people say they're Christians yet they often swear, tell dirty jokes, or say unkind things to people.

If you're a Christian, should you be saying these things?

YES/NO _____

A fresh-water spring always gives fresh water

A fig tree always produces figs, not other fruit

So a Christian should always say _____ things

Wow!

But Christians do still mess up and say stuff we shouldn't. When we do, we need to say sorry to God and ask Him to help us sort it out.

Think & pray!

What about you? What sort of things do you say? Maybe you want to pray again for God to change you inside and help you say good things that are pleasing to Him.

Read verse 2

**When you want something,

Do you argue when you don't get your own way?

Do you long for stuff that other people have?

Do you ask God for the things you need?

Read verse 3

**When you ask God, you
don't receive because you
ask with _____**

We shouldn't ask God for nice stuff we selfishly want, like a new bike. We should ask Him for things that **please Him**, like becoming more loving.

If you really **need** a new bike, ask God for one, but don't get selfish and greedy.

Read verse 4

**Anyone who is a friend
of the world becomes**

We have to choose between living the world's selfish, sinful way, or living God's way.

Read verses 5-6

**God shows _____
to the _____**

It's really hard to be unselfish and live God's way. But God lovingly helps us turn away from sin and serve Him more.

Pray!

Ask God to help you put others first, not argue so much, and not long for stuff you don't have. Ask Him to help you turn your back on your selfish ways so that you really live for Him!

Don't judge or grudge

James
4 v 11-12

Are you sitting comfortably?

Well you won't be for long because I want you to answer an uncomfortable question...

What nasty things have you said about people recently?

Tom and Josh are having a play fight, but Tom gets hurt and goes off to sulk. Emma, who likes to get involved in things, spots Tom and goes over to him...

So Emma tells her friends how nasty Josh is and they ignore him and give him a hard time.

Read James 4 v 11

In our story, who was slandering someone else?

Who was setting themselves up as a judge?

Of course the answer is Emma. She was so busy thinking how wrong Josh had been, yet she was the one most at fault.

Think!

Do YOU ever say nasty things about other people? Things that you would hate to be said about you?

YES/NO _____

Read verse 12

Who has given laws to say what is right and wrong? And who will judge everyone at the end of the world?

Only God decides what is right and wrong. Only God is perfect. Only God can judge people. So we've got to stop judging others!

Pray!

Say sorry to God for the times you've slandered and judged others. Ask Him to help you say positive things about people, and not negative stuff.

Paid the wages they owed

Put it all in the bank

Bought an ostrich farm

Given it to poor people

These people were living to make money and to please only themselves. They didn't care about God or about other people. One day, God will punish anyone who lives for themselves and not for Him.

Action!

How can you serve God with your money and possessions? What can you share or give away or give to charity?

Pray!

Ask God to help you be more unselfish with your money and possessions, and to do the things you've written down.
