

Career Day Poster Project

You can make your own Career Day poster about what you want to be when you grow up! To make your Career Day poster, you'll want to include information like...

- the name or names of the career (or careers) you'd like to have when you grow up
- a few words or a sentence about why you'd like to have the career(s)
- a few words or a sentence about how you will prepare for the career(s)
- pictures or drawings about...
 - ★ what you'll wear
 - ★ the kinds of activities you'll do
 - ★ any tools you might need
 - ★ who else you might work with
 - ★ what a day on the job might be like

There are lots of different ways to design your poster—you can be creative with this!

When you're finished making your Career Day poster, ask your grown-up to send a picture to the author at abigailseries.com. Your picture might make it onto an online Adventure Central!
