Main Speaker:

**ANDREW SACH**

author of *Dig Deeper*  
and *Dig even Deeper*

Whether you've been working with children or young people for 4 weeks or 40 years, this training day will encourage, inform, enthuse and equip you for your vital role of understanding and teaching God's Word to the next generation.

An engaging mix of sessions to sharpen your thinking on how and why we dig deeper into the Bible, and practical 'how to' workshops to scratch where you're itching. All designed to help your ministry be effective, long lasting and glorifying to God our Father.

#### Main session with Andrew Sach:

- Dig Deeper

#### Closing session:

- Depth to keep us going

The day includes a mix of sessions suitable for both helpers and leaders, whether you work with young children or older teens.

**Choose** one of **four seminars** to answer your questions and shape your thinking.

So that you can teach the Bible more clearly:

1. Dig deep (for those starting to dig into the Bible)
2. Deeper still (for those wanting to dig even deeper into God's Word)

So that you can apply the Bible more relevantly:

3. Deeper application for under 11s
4. Deeper application with 11-18s

**Plus two practical workshops** to help you in your own situation (one from Group A, one from Group B):

#### Group A workshops:

Five great ideas for...

- ...learning memory verses
- ...school assemblies
- ...movies to share
- ...getting the room quiet
- ...reaching out to the community

#### Group B workshops:

- Deeper fulfillment (discovering Jesus in the Old Testament)
- Deeper into the Bible (for children)
- Deeper into the Bible (for teens)
- Deeper emotions (dealing with anger in a child/teen)
- Deeper understanding of children's spirituality

Speakers, presenters and seminar leaders are all practising youth and children's specialists.
